Historic Consultants, Inc.

Historic Consultants, Inc. (HCI) is a team of highly experienced real estate professionals that bring together every aspect of building rehabilitation and reuse in a single organization. By providing professional financial and project management expertise for substantial historic rehabilitation projects, HCI provides a unique and valuable service to owners of historic buildings to help them accomplish their rehabilitation goals and achieve a reasonable rate of return on their investment.

Founded in 1994, the seasoned professionals of HCI have a considerable network of specialized professional organizations and lenders which provide the necessary resources to accomplish a real estate development project of this nature. This HCI system allows us to provide our clients with a single comprehensive resource for rehabilitation services, unlike any other company in the United States.
